DeVilbiss High School Is The Powerhouse

Living is like strolling down a street at night. As you walk you are in darkness until you come into the glowing arc of a street lamp. Approaching the light, you cast a shadow behind you which fades as you pass into the light and then once more you plunge into darkness. The many gay times and events of your school days are like lights — guiding beacons along the road of high school, always beckoning to be followed and investigated. The shadows you look back on are like the high-school memories revealed in your yearbook.

Light is a meaningful part of every student's school experience. Every fall the sports' activities are inaugurated with the football games under the floodlights of our stadium. Later there is the thrill of the rythmic shuffling of feet to the music under the soft lights of the school's dances. These two such truly important events have happened and then faded, as they were heralded. With pride we turn the spotlight on the Deviltries, the DeVilbiss student variety production, and on the class plays, marvelling at our classmates' talents. Such are the memories of the lighter side of life for

That Lights The Way In Education Today

We in DeVilbiss live in a light that shines and glistens with true friendship and warmth. It is the reflected light of the rainbow, our school's symbol. The rainbow is a glorious bright light refracted through a prism into its many colors, and thus it is that our school paper, *The Prism*, "Breaks School Life Into Colorful News." The colors of the rainbow here at DeVilbiss are not at all usual, for they never fade when the sun sinks from view, but remain in the school, each color in its own right—red for honor; yellow for wisdom; green for mental and physical growth; blue for beauty; and violet for service. We feel that by maintaining these ideals we will be seen in our best light.

At the foot of the rainbow is always to be found the *"Pot O' Gold."* So, the 1947-48 Staff presents to you this sixteenth edition of the school's yearbook hoping that it will enlighten you now, and that in the years to come it will always recall to you the unfading image of the many happy hours spent in the vibrant light of high school at DeVilbiss.

Merritt C. Nauts, Principal

There can come through the haze of foggy nights guiding beams from a lighthouse. Just such a beacon is DeVilbiss High School with Mr. Nauts, our principal, as the keeper of the light. He directs us into the harbor of learning, keeping the light shining brightly over all the phases of school life—those which are obvious to the students who are seeking guidance, and those "behind the scene" activities which are necessary to the smooth functioning of any school.

Mr. Nauts, the controller of the complicated machinery of our system, has been with us from the opening years of our school. Under his alert eye and helping hand we have grown into a truly great community institution.

Always busy, yet never too busy, our principal helps us with our problems, and steers us along the right path. With Mr. Nauts as the keeper, we, the students, feel certain that the DeVilbiss lighthouse will always be an illuminating factor in our lives.

Mildred Pasch

Dean of Girls

Confidant, adviser, friend — Miss Mildred Pasch is all of these to the grateful young women of DeVilbiss. Always calm when others are excited, firm when necessary, but forever kind, her serenity envelopes you as you step into her office.

In her message to the students in last year's annual, Miss Pasch said that to achieve true greatness, one must be wise, tolerant, and kind. We recognize the value of such advice because it has made her so successful in her own profession.

Acting as faculty consultant to the Junior branch of the Northwestern Ohio Vocational Guidance Association is only one of the numerous ways in which she gives freely of her time and understanding.

The girls of DeVilbiss High School realize their good fortune in having Miss Pasch for their dean.

Russell Brown

Dean of Boys

Whether the Spanish Department suffered a greater loss or the boys enjoyed a greater gain by Mr. Brown's transfer from head of the Spanish Department to the Dean of Boys is still debatable.

Popular with all the students who regard him as a "good Joe," Mr. Brown has set many a young Tad on the right track, not only in schedule problems, but in bigger issues as well, involving vocations, family troubles, and matters which have much to do with the outcome of a boy's life. He always takes a very personal interest in every boy and is never too busy to stop and talk something over.

The Sharps and Flats have the benefit of our dean's advice as well as the Sophomore Class.

So, hoping he will continue to be boys' adviser for many years to come, we salute our "simpatico" senor Brown.

Heads Help Hands Learn Handicraft

The whir of saws, the clang of the Auto Mechanics Shop, the strange instruments and sounds of the Radio and Electricity Shop—all these are a part of the Industrial Arts Department which functions under the glare of the shop lights in the wing at the rear of DeVilbiss. Here, too, one may find boys working busily in Mechanical or Architectural Drawing classes, in a Cabinet Making class, or in the Freshman Industrial Survey class.

During the past few years, the interest of boys in the Industrial Arts program has greatly increased because of a growing awareness that it is the trained personnel who secure the best jobs. The Industrial Arts Department prepares boys for immediate employment upon graduation, or for further study in their respective fields.

The goal of the instructors of this department is to train each boy to become useful with his hands.

Courses Correlate Commercial Careers

Last fall many students were disappointed who had planned to study shorthand or typing this last year. This was due to the crowded conditions existing in the commercial department. Of course, almost all who are taking business courses were given preference and seniors too were able to get into these classes. This shows, however, the increasing realization of the importance of a knowledge of commercial subjects in both the business and academic worlds.

The school affords many opportunities for employing business skills. An office practice group works in the deans' offices, several students do typing for the yearbook and school newspaper, while other groups work for the teachers by preparing mimeographed copies of examinations.

Although shorthand and typing are the most popular subjects, bookkeeping and junior business training also prepare many of the pupils for careers.

Staff Smoothes School Services

The business of the school centers in the main office. Here the students' permanent records are kept on file.

Miss Lanz, Senior Clerk, has charge of all student records. She is the one who checks all credits for graduation and issues all transcripts for colleges.

Mrs. Tanber, the School Treasurer, transacts all the financial business of the school. In addition to this work, she deposits the club money and instructs the club treasurers in keeping their books.

The school attendance must be taken every day of the school year. Responsible for this is Mrs. DeMars, Attendance Clerk.

The ordering and distribution of textbooks is the job of Mrs. Tippett, Textbook Clerk. Each year new books must be ordered, and old ones rebound or discarded. Because of shortages the past several years, the obtaining of textbooks has been difficult.

Mrs. Norma Hayes, Head Dietician

Food Feeds the Famished

With the sounding of the lunch bell, the halls are filled with students who are eagerly rushing to the cafeteria. During an average day, more than 2,000 students eat in the cafeteria in the five lunch periods between 10:40 and 1:15.

Few students stop to consider the magnitude of the job that confronts Mrs. Hayes, head dietician, and her staff of women and student workers each day. When the classes begin at nine o'clock, the cafeteria staff has already been working for more than an hour. After the last lunch period, the staff members eat their lunches and then must put the cafeteria in readiness for the next day.

Mrs. Hayes' job of planning and preparing well-balanced, nourishing meals has been made increasingly difficult by food shortages and high prices. It is a problem for her to continue to serve the excellent food to which the students are accustomed, and still to stay within the budget.

Custodians Keep Conditions Correct

When the students feel the warmth from the radiators, admire the newly polished floors, or have the building opened to them for evening parties, they are witnessing examples of the custodians' work.

Much work is required to keep a building the size of DeVilbiss warm. Because the custodians attend faithfully to this job of maintaining heat, the school's occupants have little cause to complain.

Always, there is a need for repair jobs about the school. The maintenance workers are often found repairing lockers or replacing and repairing classroom equipment. Besides these occasional jobs, there is the daily job of giving the school a general cleaning.

Perhaps the most appreciated job of the custodians who are under Mr. Robinson's supervision is the opening of the school for late afternoon and evening dances, auditorium programs, and other extra activities.

Dimmed Lights In Memoriam

Louis J. Mathias, Jr.

In the seventeen years of DeVilbiss, the personality of Louis J. Mathias, Jr., has permeated in a unique way our educational program.

His belief in the potentialities of youth was based on faith in their willingness to work to achieve a rich, abundant life. Through the application of creative imagination, courage, and an adherence to a strict code of dynamic living, he developed leadership inspiring to pupils and teachers alike.

Our student government, our DeViltries, our athletic program, our scholastic achievements bring constant memories of the consecration of Louis Mathias to our school.

Nelle F. Anderson

Dignified in stature and in mind, Mrs. Anderson carefully and conscientiously guided her students. As she had learned in her own life to act and live from a philosophy of fundamental honesty and wholesomeness, so she pointed a similar path to those she instructed.

Honest in thought, courageous in action, uncompromising for the sake of expediency, she herself set an example of the principles she taught.

Those who knew and loved her will find her death has created a "lonesome place" in the classrooms and halls of DeVilbiss: in the minds and hearts of her family and friends.

1—Wishing the team luck.

2—Teachers take time to dine.

3—Tactful trackman.

4—Expert at work.

5—Isn't biology interesting?

6—All accounted for.

With his favorite mechanism Mr. Archambo throws light on the subject of physics.

The Student Council

The flame of action is a government of the students, by the students, and for the students. Because of our liberal faculty, we are fortunate enough to be able to make our own laws, to abide by them, and to punish those who break them. By actually controlling the government of the school, we train ourselves to be better citizens.

This active body which touches everyone is motivated by the president, Roger Balk. The fourteen commissioners are on the beam to be always ready to serve the school. The Student Council representatives enlighten their respective homerooms by informing them of Student Council activities.

The names which should be in lights are the following fourteen commissioners:

SHIRLEY KEATS, Commissioner of Student Welfare, conducts all class elections and supervises the Magazine Drive.

DICK SCHUMM, Commissioner of Finance, manages the Student Council treasury and controls ticket sales.

HAZEL MURPHY, Commissioner of Organizations, grants club charters and promotes new clubs.

MARILYN HAMANN and JIM VILLWOCK, Commissioners of Publications (*Prism* and *Pot O' Gold*), supervise the editorial and business affairs of their respective publications and promote all-round co-operation.

BRUNNY MESSINGER, Commissioner of Justice and the Chief Justice of the Student Court, sentences all violators of the school laws.

IRIS KELLER, Commissioner of Publicity, checks, signs, and supervises all school publicity.

JUDY SINCLAIR, Commissioner of Social Affairs, assists in all social affairs and plans dates for class functions.

JERRY ROSS, Commissioner of Athletics, controls all intramural athletics and lends a hand in all athletic mass meetings and rallies.

JACKIE DOHM, Commissioner of Awards, conducts the awards system for participation in school activities.

RON KINNEY, Commissioner of School Service, organizes the efficient hall, cafeteria, and library patrols, and acts as prosecuting attorney in Student Court.

JACKIE HANEY, Commissioner of National Service, handles the sale of Thrift Stamps and acts as a co-ordinator between the government and the school.

JIM PATTERSON, Commissioner of Assemblies, has charge of the auditorium patrol.

ANNE NELSON, Clerk of the Board, takes minutes and records attendance at all Council meetings.

Is A Flame Of Action

Roger Balk, the Student Council president, is the headlight who activates all the Student Council members. His presidential career began when he was elected in the spring of 1947. During the first week of school in September, he showed his ability by organizing an effective student government. The Student Council has realized its wise choice by the many successful meetings over which he has presided. Under his supervision several needed amendments have been added to the school's constitution. As you can see, he has proved himself to be a most competent and willing leader, one who is responsible for the smooth running of the entire student government. Much of the success of this year's Student Council can be accredited to Roger Balk.

The Student Council must have committees to reflect its light to the student body. One of the reflector lights is the Student Court whose duty it is to issue subpoenas to violators of the school laws, to try the cases of these offenders, and then to reach the verdict of the punishment. The functioning of this Court is important since it gives the students themselves an opportunity to maintain discipline and to preserve order.

Reflector Lights of the Student Council

The second reflector light is the Student Welfare Committee, whose greatest task is to manage class elections with the confirming of grades and qualifications of all candidates and the checking of the names on the petitions. Another big job is the annual magazine drive for raising of funds for school improvement. The committee's last undertaking is the holding of the elections for the next year's president and commissioners of the Council.

The Class of 1951

A new spark was added to DeVilbiss when the "Class of Fifty-One" entered. Already they have started to seek that "Silver Lining" which they hope to find by the time they become seniors. In December, a tea was given for all freshmen mothers. Invitations, made individually with the assistance of Miss Amy Kimpton's art classes, were sent to the mothers.

The newly established tradition for a freshmen social club has again been carried out by the forming of this year's "Fifty One-ders." The regular meetings consist of a three and one-half hour program featuring dancing in the Girls' Gym and various games, from ping-pong to checkers, in the Boys' Gym. Students from different freshman homerooms sponsor and help with the numerous duties. They are assisted by the Club advisers — Mrs. Blanche Luther and Mr. David McMurray, and the co-chairmen of the Parents' Committee — Mrs. Louis Henkel and Mrs. Fred Haller. With the cooperation of these efficient teachers and parents along with the student committeemen, the "Fifty One-ders" are indeed our Fifty Wonders!

An enthusiastic group of officers has been elected. With the help of their capable advisers, they are leading the class successfully toward the light. Watch them—for these will soon be the gleaming lights of DeVilbiss.

The Class of 1950

Although the class of 1950 might still be regarded as "reflected light", it has, nevertheless, equaled the brilliance of any sophomore class that has gone before it.

In December the class officers were elected to their positions, and early in January, Bert Warrick, president, called his first cabinet meeting to order. The plans for the activities of the coming school year were discussed. Nancy Brechenser, in her capacity as secretary, recorded the motions before the house.

An efficient system of committees for each project of the year was adopted. Phyllis Rupp and Orville Crawford were appointed general chairmen for the Sophomore Dance. Under their able direction and with the help of the Publicity, Hostess, Decorating, and Music Committees, the Sophomore Dance, which was given in April, became one of the brightest of their many accomplishments.

Sandra Getz proved to be a willing treasurer whenever the purse strings needed attention. In Bert's absence from any meeting, Mary Perry, vice-president, took over his duties.

The members of the class owe a debt of gratitude to their two faculty advisers, Mr. Russell Brown and Mrs. Anne Sutter, for their willingness to help the class in every possible way.

The "Y" Clubs Radiate Friendship

In what better way could we boys and girls have fun, help others, and make friends than by joining the Sophomore Hi-Y or Y-Teens?

Leading our Hi-Y club are Chan Nauts, President; John Hunt, Vice-President; Jim Henning, Secretary; and Bert Warrick, Treasurer.

Through various service projects, we serve the school and our community.

We are proud of our having won the Area Sophomore Hi-Y Basketball Championship.

We, the Sophomore Y-Teens, try to better ourselves, our school, and our community.

Guiding us through our many activities are Pat Renshaw, President; Barbara Baker, Vice-President; Shirley Emery, Secretary; Joanne Logan, Treasurer; Millicente Dedermen, Chaplain; Phyliss Fausnaugh, Y.W.C.A. Inter-Club Council Representative; and Leta Kuenzle, DeVilbiss Inter-Club Council Representative. Our advisers are Mrs. Dorothy Kiemle and Mrs. Clela Renshaw.

The Class of 1949

Not so long ago, a group of freshmen entered DeVilbiss, sure that they would light up the school. We're not so cocky now, because in three years we have learned much by experience. The sparks soon died down to a nice steady glow as we became accustomed to the long grind and the light of the midnight oil.

Early this year the spotlight was focused on the elections and Larry Leake, Carl Dickey, Erma Jacob, and Kathleen Casey were chosen to light our way for us. Members of our class have also shown the way in sports, athletics, and dramatics.

We have our advisors Miss Ursula Schmit and Mr. Norman Pollman, who helped the 49'ers over many a rough spot.

The three years since we came to DeVilbiss have been short ones. We realize this more and more as our high school days go by. We all first met at the 49'ers parties held in the school our Freshman Year. This organization, the first of its type for freshmen, was successful and the idea was used again in the classes that followed. The same frosh who danced at their first 49'ers party will, in not too long a time, be dancing at their Senior Prom.

Yes, the lights are getting brighter. Through the years we hope DeVilbiss will always keep a candle in the window for us so we can look back, remember, and take courage to strive toward our shining ambitions.

Junior Committees

The Junior Class has had an exceptionally active year led by their officers and committee heads who can well be proud of the job they did. The most enjoyable event, probably, was the J-Hop, held on Friday, April ninth, at the cost of one and one-half dollars per couple, from which many left loudly asserting that they wished they might always remain Juniors. A very unusual dance, it was done in a fiesta theme, as it came during Pan-American week. The Spanish atmosphere seemed to infiltrate everyone's thoughts as some were glimpsed attempting a rhumba or a samba.

Soon afterward came the Junior Play which displayed a remarkable amount of talent. The drama chosen to be presented was "What A Life", one of the many famous Clifford Goldsmith stories about Henry Aldrich. Those in the play were fortunate in having Mr. Bernand L. Young, announcer for WTOL, direct the play. "What A Life", which took place on Friday, May 6, brought adults and teenagers alike out into the spring evening to view a good amateur performance.

The closing event for the class of 'Forty-nine was the Junior-Senior Farewell Dance, Friday, June eleventh, where the third year students said a wistful goodbye to their friends who not too long ago had shown them the ropes.

Perhaps not so glamorous as the play, prom, and farewell committees were the publicity and finance groups. The latter, an extremely small one, having only three members besides the chairman, is to be commended for the giant-sized task it accomplished. Publicity was composed of seven pupils who had had previous experience in this line of work, so its success was assured from the beginning. Both these committees did their work well throughout the whole year and were largely responsible for the successful functions of the others.

So, these people both on and off the committees are anticipating an even more successful and enjoyable senior year.

The Class of 1948

The lights of the Senior Class have shone brightly on many varied and exciting activities throughout our most memorable year at DeVilbiss.

A bonfire ushered in the first social event of the year, the "P.U. Polka", a barn dance in the Girls' Gymnasium. Our attention was next attracted by the theatre lights of "You Can't Take It With You", the enthusiastically received class play. The Senior Mid-Winter Dance, the Snow Ball, the social highlight of January, spotlighted soft music and smooth dancing. For the mothers of the Senior girls a spring tea was held in our school library; to their fathers the boys of the class extended an invitation for the Father's and Son's Banquet.

During the year the Senior Class shone scholastically as well as socially. By their participation in the Pepsi-Cola, Westinghouse, and Ohio State Scholarship Tests, many students brought honors to DeVilbiss.

An inspiring address at the Baccalaureate Service illuminated the many hopes of the class and left a glow in our hearts. With the help of the Juniors, who decorated the tables and planned the dance, the Senior Banquet and the Junior-Senior Farewell Dance were especially enjoyable. However, the Senior Prom which joined our hands with those of our classmates in the Grand March, and the Graduation of the class of 1948 will always shine most brilliantly in our high school memories.

Marquee Lights Brighten the Year

The Senior lights were shining brightly the night of December 11. The co-chairmen, Beulahjean Markhus and Jean Parkes, relaxed; "You Can't Take It With You" was a success. The applause swelled again as the stars and cast took their last curtain call.

Weeks before, however, Shirley Keats and her try-out committee were deep in the process of selecting the players. Many seniors tried out and sometimes there were several good choices for each part.

Once these were picked, Suzy Grover mentally sized up the cast and began the search for odd parts of costumes such as Dick Hehl's discus-thrower robe or the unusual wigs necessary for the colored couple, Nancy Kubitz and Walt Harrison.

Other committee chairmen had difficulties too. Jack Hirsch had to find an uncommon pattern of wall paper; while Virginia Reese, who was the head of the properties, was looking for a snake cage.

Meanwhile, Miss Quinn and Mr. Emery were coaching the cast. Dick Helburn was working hard to memorize the lines of Martin Vanderhof and act at the same time. Suzy Lattin was also rehearsing carefully. She played the part of Vanderhof's toosane granddaughter.

All hard work was rewarded; the play was well-accepted by the audience; the class treasurer stopped worrying.

Highlights

The Track Team Goes Over The Top

From the opening kickoff of the first football game in the fall until the third out of the last half of the final inning of spring's closing baseball game, there is some sport in progress at DeVilbiss. Some of these are the major sports, and others, the lesser known though equally important ones.

September	5	Charity Football Game	March	5	N. W. Basketball Tournament
November	27	Thanksgiving Football Game	April	30	DeVilbiss Night Relays
December	5	Alumni Basketball Game	May	14-15	District Track, Golf, Tennis, and Baseball Meets
February	28	Cranbrook Wrestling Match			

Campaigns For Worthy Causes Reward Students With Prizes

The Magazine Subscription Drive is one of the biggest campaigns of the year at DeVilbiss. The commission the school receives from these sales is used for improving the stadium. Other drives during the year raise funds for charity and for supplementing the library's collection of books. These were the drives which took place during 1947 and 1948:

September	Community Chest	February	Book Week
October	Magazine Subscription	March	Red Cross
January	March of Dimes	April	U.S. Security Loan Drive

Daisy Mae And Li'l Abner Reign At "P. U. Polka"

The numerous social events at DeVilbiss this year gave all students a chance for fun and entertainment. The four classes had many different affairs to interest everyone. The Freshman Class had several Fifty-Oneders parties which were huge successes.

November	21	P. U. Polka	March	12	Senior Father-Son Banquet
December	2-3	Freshmen Mothers' Teas	May	5	Senior Mothers' Tea
January	29	Senior Midwinter	June	4	Senior Prom
April	2	Sophomore Dance	June	11	Senior Banquet
April	9	J-Hop	June	11	Junior-Senior Farewell

Cafeteria Windows Are Decorated For Christmas

When the whole outdoors takes on the look of a Christmas card, the DeVilbiss halls are also clothed in their Yuletide finery. The clubs have an annual competition to see which one can decorate its assigned section of the building in the best fashion. Many of the clubs give other services to the school and the community—caroling in the halls, entertaining orphans, or caroling in local hospitals.

The speech and radio classes lend a new aspect to the library with their Christmas programs for the entire school. All this planning and preparation adds to the eagerness with which we look forward to the Christmas holiday.

Of The Year

DeVilbiss Girls Greet The "New Look"

Here at DeVilbiss, as across the nation, skirts are going down, and the emphasis is on Gibson Girl styles. Some girls have even resurrected that clothing of Grandmother's day which has returned to style. Many girls are seen wearing long full skirts, Gibson Girl blouses, and flowing scarfs or ties.

A new look has also come to girls' and boys' jeans. Both now peg the legs until they are almost skin tight. Many boys wear pegged, corduroy slacks. These are of almost any hue—even pastel colors.

A perennial style at DeVilbiss is the school's rainbow-colored beanies. These gay little caps are especially in evidence at football games.

Seniors Struggle With Scholarship Tests

In scholarship tests, DeVilbiss High School students have always placed very high. Four seniors of the twenty-four taking the test scored in the upper ten per cent of the nation on the Pepsi-Cola Scholarship Contest. Seven more scored in the next ten per cent. Walter Harrison and Jim Villwock were high in the state for work in other tests. This year, eleven DeVilbiss boys passed the Navy V-12 Examination.

November 21	Pepsi Cola Test	January	14	D.A.R. Citizenship Test
December 12	Westinghouse Test	February	5	Ohio Scholarship Test
December 13	Navy V-12 Examination	April	3	College Entrance Boards

The Junior Red Cross Makes Things For Others

This year, as in the past, the DeVilbiss Chapter of the American Junior Red Cross packed gift boxes to send to children who are in less fortunate circumstances than DeVilbiss pupils. Into these boxes go soap, washcloths, tooth paste, and other things which we consider necessities. However, these things are luxuries to children of other lands.

At Christmas time, the Junior Red Cross made stars which were used as tray favors for one of the local hospitals. The patients always appreciate these tray brighteners on Christmas morning.

The sending of illustrated letters to foreign countries was a project designed to acquaint other students with DeVilbiss.

Good Auditorium Programs Make Audiences Enthusiastic

DeVilbiss offers its students a wealth of excellent auditorium programs. These programs range from musical subjects to lectures on physics' principles. The programs which highlighted the year were the following:

September 10	American Male Chorus	February	6	Music Department Program
September 26	Telephone Program	February	24	Book Week Entertainment
October 1	Mr. Jones, Physicist	March	3	Mr. Nessle, Naturalist
October 8	Movie, "Henry V"	April	16	Miami U. Men's Chorus
November 10	Kryl Symphony Concert	April	23	George Gremen, Linguist

Inter-Club Council Directs Sidelights

One of the most important bodies of our student government is the Inter-Club Council. The Commissioner of Organizations, Hazel Murphy, acted as the student adviser. It was her job to supervise the formation of this year's Council and to take charge of the election of the Council's officers. From the representatives of each club Virginia Reese was elected as President. She was assisted by Diane Pawlowicz, Vice-President, who also acted as Treasurer; and Thurayne Thomas, Secretary. With the cooperation of these officers, of the representatives, and under the capable supervision of Mr. Robert Rettig, the aims for the year were fulfilled.

The number of chartered clubs was doubled this year. Any student who had a worth-while idea for the formation of a new organization was greatly encouraged and helped.

From each club three members and the adviser were invited to the first annual Inter-Club Council given in March. We hope that this drew the clubs closer together and that it will become another DeVilbiss tradition.

The Prism Reflects School Life

Do you know someone who needs a job? The place of employment would be the DeVilbiss *Prism*; the duties would be to keep the regularly used machine well oiled and repaired for Miss Rose Bloom and Miss Elaine Hirth.

You can always tell when it's 11:45 for the machine begins work with a bang. The three important gears are Dorothy Fash and Jim Schlagheck, Feature Editors; and Club Editor, Lois Knaggs. Marilyn Hamann, Editor-in-Chief, can be heard calling for copy. A crashing noise comes next. The Sports Editors are shooting for the wastepaper basket with Demos Taylor's flashbulbs. Above this noise Publicity Manager, Hazel Murphy, is found writing commercials for the morning announcements.

If you wish to apply, call *Prism*, cell 216250, DeVilbiss High School. But remember we warned you!

Seated L to R: Kate Rae Emmert, Dorothy Fash
Standing: Jim Schlagheck, Janet Jarrett

Pot O'Gold Projects Pupils,

"Hurry! Hurry! Don't you realize that we have only two more days before that copy has to be at the printer's? What! You can't get it written until you see the picture that goes with it! Well, where's the picture? The photographer didn't take it yet! Wait until I get my hands on him. Say there you 'photo fiend', where's the picture you were supposed to have here today? You couldn't take it! Why? Some of the boys who were supposed to be in the picture forgot to wear ties! Oooohh! Sometimes I think I'll lose my mind."

No, you haven't barged in on a group of mad men. It's just one of the *Pot O' Gold* editors discussing business with some staff members. You see, when there's a deadline, it has to be met.

What an odd look on your face. Oh, I know what it is. That peculiar odor is bothering you. It's from the gooey, sticky rubber cement that the panel editors are using. Just think! They can see all the year book pictures months before the rest of the school has that opportunity.

Come over in the corner with me. I'd like you to see what all those people are looking at. Holding their interest is the dummy copy of the *Pot O' Gold*. A few staff members can usually be found watching the making of the dummy copy which shows the progress of the book.

"I have five hundred words that have to be fitted into a space for three hundred words. What will I do?" That's just some poor writer trying to do her job. If she can't figure it out herself, she'll probably ask Miss Smith to help her. Mr. Stalker is in the other room now helping the boys prepare picture pages for the engraver.

Look! Jim Villwock, Beulahjean Markhus, Nancy Stalker, Marilyn Hartman, Bill Hallauer, Fred Bailey, Leslie Noaker, Virginia Orthwein, Carolyn Bowers, Barbara Kerr, Susan Shanks,

Personalities, and Progress

Sally Balsmeyer, and Pat McCarthy have just rushed into the room. What's all the excitement about?

"We've just finished making all the arrangements for our trip to the Annual Columbia Scholastic Press Association Convention at Columbia University in New York. What fun? The convention is the second weekend in March.

"Mr. and Mrs. Stalker and Miss Ruth Smith are going with us—just to see that we don't have too good a time. Our principal and his wife, Mr. and Mrs. Nauts, are going too. While we're there, Jim Villwock is going to lead a discussion group on general year book planning."

As you can see, there's never a dull moment when you're on the *Pot O' Gold* staff. Maybe you'd like to know just exactly who is on the staff:

Senior "Y" Clubs Endeavor To Create

This year more than in other years the Hi-Y has carried out the true meaning of its motto, "To create, maintain, and extend throughout the school and community a higher standard of Christian character."

Led by Jerry Ross and ably assisted by Phil Brunskill—Vice-President, Bill Hubbarth—Secretary, and Dan Rowand—Treasurer, our club has reached new heights in its program of service. As in most clubs the committees have played an important part in making our club function. The Program Committee was headed by Phil Brunskill; Service, Fred Davey; Room, John Jacobs; Social, Tim Green; Athletic, Hiett Ward; Camp, Ronald Kinney; Membership, Fred Haase; and Publicity, Leslie Gerke.

This year our club has participated in many activities. Besides several outstanding programs, we have visited various places of interest throughout the city. By means of a picnic, a roast and a hayride, paper sales, selling programs at the Night Relays, and a dance, we raised over a hundred dollars which we donated to the Y.M.C.A. World Youth Fund. With the balance in our treasury, we are planning to spend a week at a lake this fall.

As president of the City Hi-Y Council, Bill Hubbarth represented us at the National Conference of Y.M. and Y.W. Youth at Grinnell, Iowa. Jerry Ross, Dan Rowand, and Ronald Kinney attended Camp Nelson Dodd, the state Hi-Y camp for training officers. Through their training the club has gained much. These boys also attended the State Hi-Y Conference at Columbus, Ohio, in November.

We are proud of the many leaders we have in our club. Among them are Roger Balk, President of the Student Council; Chuck Casey and Dick Gehring, Vice-President and Treasurer of the Senior Class; Jim Villwock, Co-Editor of the *Pot O' Gold* and Commissioner of Publications; Ronald Kinney, Commissioner of School Service; Dick Schumm, Commissioner of Finance; Jim Patterson, Commissioner of School Assemblies; and Jerry Ross, Commissioner of Athletics. We are also well represented on every athletic team. And all members have been active in the various school activities.

Through the fellowship and activities we have developed better character, extended school service, and made many lasting friends.

Higher Standards Of Character

Four years ago, the Y-Teen Club of '48 was organized, and as the years passed this club grew until it was one of the best clubs in the school.

This year, although hindered by the lack of school advisers, the club continued under the help of Miss Louise Jones, head of the Y-Teen department of the Y.W.C.A. Meetings were held every second and fourth Wednesday nights during the month at members' homes. Hostesses for the year were Joan Crawford, Marian Van Gorder, Jo Link, Barbara Tilley, Pat Matthews, Mary Bonner, Nancy Wittman, Dottie Fash, and Lou Davis. Speakers were obtained for these gatherings.

Lou Davis, Nancy Osgood and Dottie Fash were our delegates to the Hi-Y, Y-Teen conference at Camp Storer last fall.

Special projects were also on the agenda for the school year. In October, we gave a roast for the freshman girls who were interested in joining the Freshman Y-Teen Club. Then during December a dance was held at the Tower Room of the Hillcrest Hotel. We also decorated the school for Christmas and won third prize. January brought the sale of individual senior pictures to the school which helped to add money to our treasury. Late spring found us entertaining at a lovely tea.

The officers of the club were: Lou Davis, President; Nancy Wittman, Vice-President; Helen Joan Link, Secretary; Dottie Esser, Treasurer; Dottie Fash, Chaplain; Mary Hill, Sergeant-at-Arms and Nancy Schorling, Inter-Club Council Representative.

The club does not function alone but under the guidance of the Y.W.C.A. Peggy Doeter was inter-club council representative at both the Y.W.C.A. and Y.M.C.A. Dottie Fash was the secretary-treasurer of the Y.W.C.A. council.

Heads of the various committees were: Kate Rae Emmert, Membership; Jane Gerhart and Dorothy John, Social; Nedra Mason, Decorations; Marylin Ansted, Publicity; Marilyn Weir, Service; and Marian Van Gorder, Ways and Means.

After four years of solid and industrious friendship, these girls are going into college, business and eventually marriage with increased knowledge and vigor.

Junior Y-Teens Promote Service

It was meeting night! All the members of the Junior Y-Teen club raced from seventh hour classes to lockers and then to the adviser, Mrs. Mennig. The poor woman was swamped with requests for rides to meeting. The very lucky girls went off for the ride while the majority of us, the unfortunates, ran for the school bus. As we got on the bus, questions and comments such as "Do we get a transfer?" and "Can't they move back a little so everyone can get on?" were heard. On our way, we settled down and began wondering where it was that we got off. Usually we found the right stop.

As we entered the home where the meeting was to be held, everyone dashed to the mirror to comb those gleaming locks. About ten minutes later the meeting was called to order by the president, Carolyn Steinhauer. She called for the secretary's report which was promptly given by Phyllis Butler. After that the prayer was given by the chaplain, Eldonna Seawater, and Donna Potter gave her report, the treasurer's report. Upon hearing we had money in the treasury, Barbara Price reminded us that we owed the Inter-Club Council part of it. Barbara represented the club at DeVilbiss and at the Y.W.C.A.

The next important item was to decide upon our activities, and this was the program we planned and participated in. During the year we had a theater party, hay ride and roast, and a Hi-Y-Teen party at the Y.M.C.A. Marion Stone and Patsy Goss were in charge of "The Third Annual Picnic of the Junior Y-Teens of DeVilbiss High School." Our splash party was a success as was the song fest we gave for all the "Y-Teens" at DeVilbiss.

Nancy Neidlinger, the Sergeant-at-Arms, had quite a time keeping the girls quiet. Pat Shannon reported that we had collected food for Europe and packed food for the needy in our own city. We also sold ice cream at the DeViltries and decorated the school at Christmas time.

At last we came to the most important part of the meeting—the refreshments. After relieving our hostess of all this food, we adjourned for two more weeks.

Freshman Hi-Y Strives For Unity

With the purpose of creating and maintaining throughout the school and community a higher standard of Christian character, the boys of the Freshmen Hi-Y organized their club with vigor. Barry Nauts was elected to preside over the meetings and Bruce Steinhauer, to the position of vice-president. The minutes of the meetings were kept by Jack Mundy, while Louis Henkel collected the dues and balanced the treasurer's book.

The meetings were very entertaining with such speakers as Mr. Tibet, Mr. Leverett, and other well known citizens. At some of the remaining meetings we had debates and discussions.

The Freshman Hi-Y undertook two community projects this year. The first was to distribute Community Chest parcels. It was thrilling to go to the different business places of Toledo and to see all those who were participating in the drive.

The second project was to help distribute Christmas baskets to the less fortunate people of the city and the surrounding country side. A delegation of fifteen boys started at 8:30 a. m. the day before Christmas and began packing about two hundred baskets. After packing, the members broke up into smaller groups and delivered baskets in the city while some boys went to suburban areas. Besides being interesting and lots of fun, this project gave us satisfaction by helping others.

Soon after, the area Freshman Hi-Y basketball tournament began. As some of the high schools had not yet formed Freshman Hi-Y Clubs, our DeVilbiss team had only two opponents—Jones Junior High School and Robinson Junior High School. The first game with Jones was a hard and well-won battle with DeVilbiss' winning by a score of 19 to 12. The second game with Robinson was the championship game with Robinson regarded as the favorite. We took a 6 to 2 lead and kept on playing with excellent teamwork to win, 35 to 11.

The members enjoyed many other recreational activities at the Y.M.C.A. throughout the year.

We came to the end of this year with the addition of many new friends made through our DeVilbiss Freshman Hi-Y.

Prospective Homemakers And

The DeVilbiss Future Homemakers of America grew this year with an addition of twenty-five new members who joined after receiving invitations showing the club emblem and colors. The candlelight initiation was held at the home of Arlyne Stoll while Gloria Smith relinquished her basement for the rough initiation ceremony.

During November we wrapped and mailed twenty Christmas gifts to the World Festivals for Friendship for children overseas. Late in January we received fifteen artistic, personal thank-you cards for these packages.

December found us at a Christmas party at Darlene Lange's home. We gave up our gift exchange in preference to entertaining fifty-two ten to twelve-year-old children at the Miami Children's Home on the Monday before Christmas. We also decorated a hall display case at DeVilbiss under the leadership of Gloria Smith and Carolyn Steinhauer.

The committee chairmen for the year were: Program—Carolyn Steinhauer; Social—Shirley Behm; Project—Ronnie Engelke; Publicity—Darlene Lange; Membership—Edith Upson.

The home economics department of the University of Toledo was the topic of a tour and tea in February. A conducted tour through LaSalle's and a St. Patrick's Day party formed the meetings of March.

Speakers from the Gas Company and Toledo Edison Company augmented by Miss Marie Stoll talking on her trip to England held the interest of the members in later meetings. Plans were made for a dance and bake sale to make money for the treasury.

The purposes of the club are to promote a growing appreciation of homemaking, to work toward good home life for all, to promote international good will, to develop leaders, to provide wholesome recreation, to further interest in home economics.

Officers for the year were Gloria Smith, President; Arlyne Stoll, Vice-President; Ellen Cole, Secretary; Gwen Treby, Treasurer; Janet Rees, Inter-Club Council Representative; Nancy Terry, Historian; Miss Marie Stoll and Miss Mary Bargmann, advisers.

Teachers Prepare For The Future

On the eleventh of December another new club was added to the DeVilbiss roster of organizations. Miss O'Brien and the officers of the Scott Future Teachers of America performed the installation ceremony for the DeVilbiss Future Teachers of America at a tea in our library. Mr. Nauts in introducing the main speaker, Mr. E. L. Bowsher, gave a short talk on interesting incidents in teaching. Mr. Bowsher spoke on the future of teaching. Fifteen members signed the charter.

The membership was open to sophomores, juniors, and seniors with at least a "C" average who have an interest in the teaching profession.

The purposes of the F.T.A. are to develop among young people preparing to be teachers a good national and state organization; to acquaint teachers in training with the history, ethics, and program of the organized teaching profession: to give teachers in training practical experience in working together on the problems of the profession and the community; to interest the best young men and women in education as a lifelong career; to encourage careful selection of persons admitted to schools which prepare teachers; to seek through the dissemination of information and through higher standards of preparation to bring teacher supply and demand into a reasonable balance.

For the initiation of new members in March several members of the DeVilbiss faculty spoke on "Why I Am A Teacher." Teachers of special classes, such as speech and sight-saving, furnished one program and small study groups working on the various types of education interested all the members. "Requirements Of Certification," "Your Future in Education," and "Difficulties Of Teaching" were the subjects for other discussions.

The president who presided over all meetings was Arlyne Stoll; the vice-president and program chairman was Peggy Lukens; keeping the minutes of meetings and handling all correspondence was the secretary, Mary Satre; Sue Boesel collected the dues as treasurer; the librarian who files and distributes all literature was Marianne Goodyear; Nancy Reister saw that we always used correct procedure as pariliamentarian; the history of the club and the club scrapbook was kept by Joyce Rehn. Sue Streicher attended all Inter-Club Council meetings for us. Miss Mildred Pasch was faculty adviser.

A Capella Choir Achieves Success

One full hour—that was the joy of the A Capella Choir. This was the first year that the choir really had a chance to practice without interruptions. In the past most of us ate lunch during our rehearsal time. Naturally the results were a bit confusing, but now everything has been changed. Over the roar of the machines in the workshops which surround our room, M-13, no other sound could be heard within a radius of several blocks. The true tones of the A Capella Choir were not audible even to the members themselves.

Our group consisted of thirteen sopranos, nine altos, four baritones, five tenors, and nine basses. During the year, most of us were given a chance to sing solo parts with the choir.

The social event of the year was a Christmas caroling party at the home of Nancy Stalker. Because of the cold weather, the hot chile which she served was even more delicious. At the close of our party we presented Mr. Zaugg with a white shirt, flashy necktie, and socks to match.

We sang Christmas Carols in the program in our DeVilbiss library at Christmastime. This program is one event which builds up the holiday spirit at DeVilbiss and we certainly enjoy participating in it.

The Kiwanis Club enjoyed the selections we sang for them at a noon luncheon at LaSalle's. We sang in the City Choral Parade at the Toledo Museum of Art in December and then we sang for two Lenten Services at Trinity Church. The annual Choral Festival in which all the choruses of the city participate was held in the Peristyle of the Art Museum in May.

Ki Punches was our pianist this year and he added the finishing touches. Joe Henry filled in as conductor when Mr. Zaugg was busy.

But our champion, the light of our lives, was J. Philip Zaugg. No one can surpass his sense of humor, patience, or that twinkle in his eye when we were on pitch. The seniors will always remember the pleased expressions of serenity when they had sung well or the motions of his hands that coaxed from them faint diminishes and lusty crescendos.

Sharps And Flats Excel In Music

The Sharps and Flats Music Club of DeVilbiss High School this year celebrated its fourth year of existence as a school club. During these four years it has been one of the active clubs in the school with this year no exception.

Since it is the purpose of the club to promote interest and ability among its members and to help support the local musical organizations, our activities usually have been attending concerts and playing ourselves. We attempt to keep a good balance between our social and educational programs. For instance, during the month of December, we attended the Toledo Choral Society's presentation of Handel's "The Messiah", which was most cultural and inspiring. We had a Christmas party at the home of Charles Mater, where we sang Christmas Carols in the neighborhood and enjoyed an enthusiastic social gathering.

The officers of the club this year were Joe Henry, President; Joanne Michelsen, Vice-President; Barbara Edmonds, Secretary; Bud Smith, Treasurer; and Peggy Lukens, Inter-Club Council Representative. As the guiding body the officers tried to keep the interest and financial status of the club in good repair. Dave Perlmutter, Historian, was elected to keep the scrapbook of the activities and members of the club.

The programs at our meetings were given by the members. Before a boy or girl becomes a "Sharp" or "Flat" he or she must show some form of musical talent. This year the talent ranged from playing the piano to playing the trumpet.

The members have many outside musical interests. Many belong to the Toledo Choral Society and to "The Toledo Young People's Symphony." Joe Henry, our president, is founder and conductor of the latter.

The club won second place in the Christmas decorations contest sponsored by the Inter-Club Council. This project was in charge of Betty Jane Reighard.

Our advisers, Miss Elaine Hirth and Mr. Russell Brown, guided us through another successful year.

Former members of the Sharps and Flats have gone into the field of music as a profession.

Those who have proceeded into the world to pursue other occupations have gone with an enrichment gained through the contact with good music which the club afforded.

Sorelles Are Symbolic Of The

If you had been walking down some quiet street in the DeVilbiss High School district on a Tuesday evening you might have smiled at the similarity of its lovely homes. Most of the houses along the street had the usual number of lights burning, and father could be seen reading the newspaper in his favorite chair while mother industriously knitted and brother or sister sat at the desk doing homework. Suddenly you came upon a house with quite a different aspect. This one was ablaze with lights. Screams and war-whoops burst through the once quiet and solemn streets. You rushed to a window of the house to see if there were anything you could do, for surely there must be a mass execution or a meeting of men from Mars. But as you gazed upon this room of utter confusion you sighed with relief. It was only a meeting of the Senior Sorelles.

The president, Ruth Crockett, and vice-president, Jean Parkes, helplessly sat on top of the piano trying in vain to hear Lorene Barnes who was shouting the minutes of the last meeting from across the room. But wait. There was a lovely lass trying to beat her brains out against the wall and muttering something about being "five-in-the-hole." Of course, that was Jackie Schouten, the Sorrelle treasurer. Susie Lattin the sergeant-at-arms tried to quiet a group of girls who were still talking about the fun they had on the Sorelle hayride last December. It looked as if Susie was talking more than the rest of them. That girl in the corner was Nancy Hill, the chaplain, praying to be forgiven for ever joining the group.

Someone made a suggestion that the group have a rummage sale and at the same time a plan for a box supper for the parents was approved. Business now began to win over the clamor and the president quickly took advantage of it in order to put forth the question of the location for a cottage next summer. Immediately everyone returned to her conversation and soon someone remarked that the meetings closely resembled the demonstration which had been given to show how not to conduct a meeting.

All of a sudden quietness prevailed. It was the lull before the storm. The advisers, Mrs. Perkins and Miss Griffin, had announced that the refreshments were ready and then deftly dodged out of the way of the stampeding herd.

So went the meeting of the Senior Sorelles.

School's Social Activities

The members of the Junior Sorelles have worked with a fine spirit of cooperation this year.

At the first meeting we were initiated by the Senior Sorelles and then we elected officers. The meetings for the rest of the year were held in the homes of members.

Each meeting was started with the Lord's Prayer, led by our Chaplain, Patty Hatch. Myrle Romanoff, Sergeant-at-Arms, tried to keep order while Barbara Burns, President, attempted to hold a meeting. Secretary, Sue Esgain, desperately took the minutes as Joan Winterfeld, Vice-President, tracked down a place to have the next meeting. Down on her knees begging for dues was our Treasurer, Nancy Santchi. Frantically, Jeannine Moree, Inter-Club Council representative tried to tell us about the Inter-Club Council pot-luck supper.

Rather than entertaining ourselves with a party at Christmas, we decided to entertain a group of orphans at the Miami Children's Home on River Road, Maumee, Ohio. We played various games and sang Christmas Carols. Then after distributing the gifts, we served refreshments. Connie Cromwell was chairman of this party. She was assisted by Pauline County, Myrle Romanoff, Barbara Roth, Kathleen Casey, and Marilyn Ross. Both the Junior Sorelles and the orphans had a wonderful time.

In February we held a very successful rummage sale, using the money to pay for our page in the *Pot O' Gold*. Shirley Meeker, chairman of the committee in charge, was aided by Pat Moling, Alice Brown, and Sally Camp. This spring we had a tea in honor of our mothers at the Toledo Women's Building. Shirley Beck and Eldonna Seawater were co-chairmen of the committee.

We all anticipated the fun we were going to have at our cottage on Lake James this summer. Barbara Kiemle was in charge of securing the cottage.

We were very fortunate to have Mrs. Sutter as our faculty adviser. Mrs. Harkness, mother of one of the members, gave us wonderful ideas and a helping hand whenever we needed it.

We hope that next year will be as successful and as much fun as this one has been.

Spanish Club Studies The Americas

One of the largest and liveliest clubs in DeVilbiss was organized this year under the name of "La Alianza Latino-Americana." For the first time in the school's history, a Spanish club bacame an affiliate of the International Student Pan American League. Chartered by the International League, we have as our creed, "Liberty—Peace—Justice — Law — Friendship — Brotherhood — Government — Family — Fatherland — God." We aim to help create a better understanding between the young people of the Americas. As an affiliate, the "Alianzo" took part in various activities including foreign correspondence and the study of countries and their heroes.

The club decorated the small cafeteria at Christmas time. Hard work and co-operation on this project produced a truly Spanish atmosphere, and won for us first place in the decoration contest. Instead of the traditional "nacimiento" we painted a large picture of the holy family on the window. Nine colorful and intricate pinatas hung from the ceiling; doves and poinsettias (typical Spanish symbols) brightened up the blackboard. Co-chairmen of the decorating committee were Mary Lou David and Joyce Rehn.

Barbara Price and Jacquelyn McLain were in charge of programs. Helping them were Gloria Brown and Eleanor Trudel.

Two of our members, Barbara Price and Margaret Thyen, gave very interesting accounts of their travels through Mexico last summer.

Pan American Day is an annual celebration to which the whole Spanish department looks forward. Two very able members, Betty Houston and Virginia Reese were in charge of the program this year. Singing, dancing and speeches marked the occasion. Mr. Russell Brown, Dean of Boys and former head of the Spanish department, addressed the group.

The club was governed by three advisers: Miss Marian Smith, Miss Ursula Schmit, and Mrs. Dorothy Mills; and five officers—June Phillips, Chairman; George Leighton, Vice-Chairman; Barbara Price, Corresponding Secretary; Jane Curtis, Recording Secretary; and Jane Starkey, Treasurer.

We believe that for a young club, the "Alianza" accomplished many things and has a bright future.

Chevaux Club Blazes New Trails

This club decided to go places in the riding world this year. And to canter us through we elected the following officers: Marilyn Weir, President; Virginia Reese, Vice-President and Inter-Club Council Representative; Marjorie August, Secretary; Marian Van Gorder, Treasurer. We chose Mrs. Helen Malone, owner of Ascot Stables, and Miss Mildred Pasch for our advisers.

Under our skilled and excellent instructor, Mr. Mel Wilson, we learned that there was a great deal more to horseback riding than just hopping on your favorite steed and taking a nice little jaunt. We learned that to become a good rider one should start by learning "tack." We did just this by practicing saddling, bridling, unsaddling, and unbridling our horses. Those more fortunate girls Beth Baldwin, Marjorie August, and Shirley Boyd, who owned their own horses, had more experience than the rest in this. Next came mounting and trotting. With trotting came posting and with posting, the aching backs and legs. Then the real fun started. Cantering. This was a "bugaboo" for you must achieve a swaying motion in your back and keep in time with the horse's step. After the first few lessons in cantering, "Oh, my aching back," was heard many times. A rocking chair motion is usually the description given to the feeling of a canter. But after all the aches and pains had diminished we all knew that it had been a worth while experience.

We were quite busy this year blazing trails through sixty-four acres of beautifully wooded land at the new Ascot Stables in Sylvania, Ohio. In the spring an indoor barn was built thus aiding our riding during inclement weather.

Though small, our club had many good times. We met the last Thursday of every month in the home of one of the members. This year for the first time underclasswomen were allowed to join. Shirley Boyd, Beth Baldwin, Carole Balsmeyer, and Anita Etters became the new members.

As this year ends, we look forward to another blue ribbon year.

Zets And Peries Brighten Their

"Books are the compasses that help us navigate the seas of human life." This year the course of the Zetalethean Literary Society has been steered by this compass of good books.

The aims of the club are to develop appreciation of good literature, to create friendship and understanding, to develop potential leaders, and to serve the school.

This year Miss Brown, librarian from the West Toledo branch library, gave a series of book reviews on different types of literature including novels, biographies, and histories. We were invited to attend a tea at the West Toledo library honoring Jean Gould, noted Toledo authoress of *Miss Emily* and *Jane*. Mr. Clyde Kiker broadened our interests in world affairs by his talk on international relations.

Our literary endeavors were livened with such good times as a roast at the Edison Club, Maumee, Ohio, (a huge success) and holiday parties with refreshments. The Zets also sponsored a mass meeting preceding a football game making use of DeVilbiss students and alumni with talent. We undertook Book Week and with the committee composed of Ruth Ramsey, Virginia Butler, Norma Dotson, Katharine Photos, and Judy Price, we assisted Miss Schueren and the DeVilbiss library in raising money for new volumes. A variety show was the reward for all those who supported this drive. The Toledo Museum of Art furnished a lovely background for the city-wide Zetalethean Tea.

At Christmas the Zets again helped with decorating DeVilbiss. The committee in charge was Betty May Cook, Irma Walters, Ruth Ramsey and Katharine Photos.

In February Miss Bloom of the DeVilbiss faculty spoke on her trip to the Zionists' Convention in Geneva, Switzerland. A backwards party preceded by a penny supper held at the home of Betty May Cook completed the month's activities.

The active and ambitious leaders of our own DeVilbiss Zetalethean Literary Society are Katharine Photos, President; Arlyne Stoll, Vice-President; Virginia Butler, Secretary; Ruth Ramsey, Recording Secretary; Betty May Cook, Treasurer; Judy Price, Inter-Club Council Representative; Miss Marjorie Warner and Miss Leah Schueren, faculty advisers.

Understanding Of Literature

Quiet! This word was heard throughout the evening every other Monday night as the Peries held their meeting. Ginnie Orthwein patiently tried to conduct a meeting while Nancy Sloan, Sergeant-at-Arms, repeated that well known word, *quiet*. After our Chaplain, Hazel Murphy, opened the meeting with a prayer, Jeanne Davies, Recording Secretary, frantically scanned her notebook for the minutes of the last meeting. Nancy Anderson, Treasurer, tried every known method and every unknown method for collecting the dues. Carolyn Bowers, Vice-President, announced the literary program for our next meeting, while Marilyn Brubaker, Corresponding Secretary, was sealing the invitations for our Mother's Tea.

This procedure is exaggerated for we really accomplished a great deal at our meetings. This year we studied writers contemporary with the twentieth century, and we studied and later saw the musicals, *Carousel* and *Showboat*, when they came to the Paramount Theater. The lives and the books we enjoyed most were those of Molnar and his play *Liliom*, Louis Bromfield and *Mrs. Parkington*, Hemingway and *For Whom the Bells Toll*, Edna Ferber and *Showboat*.

We Peries couldn't have gotten along and our year wouldn't have been so successful if it hadn't been for our two marvelous advisers, Mrs. Margaret King and Miss Ursula Schmit. They were so understanding, helpful, and such good sports.

Because we felt there should be a greater opportunity for belonging to a literary society, we sponsored the beginning of the Thalian Literary Society.

And of course we all racked our brains for a clever, original way to elect the king and queen of our annual DeVilbiss Week. The fun and excitement of this special week more than repaid us for our work.

We are all grateful for the opportunities that the Periclean Literary Society offered us. We were able to better understand today's literary works, to develop our talents, and to make many lasting friendships. To the Pericleans we tie many memories which will never be lost.

Thalians Enlighten Poetic Interest

This is the first year of an active Thalian Literary Society in DeVilbiss High School. Because the Periclean Literary Society, our sponsors, study literature we have as our purpose the study of poetry. Mary Hill, our vice-president, was in charge of the programs. These consisted of anthologies of American and British poets given by the various members.

On the first and third Monday night of every month one was able to hear the din and clatter of the Thalians merging from one of the member's homes.

Flourishing her black whip, Dorothy Esser, as sergeant-at-Arms, quieted the members in order that our chaplain, Jane Leber, might lead them in prayer. With one year of shorthand behind her, Nancy Osgood, our industrious recording secretary, wrote incessantly as our president, Lois Foor, began the business meeting. Down on her knees, Ruth Brogan, treasurer, begged certain conservative members to pay their dues and Barbara Black, pen in hand, wrote the invitations to the junior members.

Before the social part of the meeting a summary of the activities throughout the year was given by Marilyn Weiker, our Inter-Club Council representative.

The first of our social events was a pot-luck dinner given in honor of the junior members. A few weeks later we enjoyed a tobogganing party, even though our good-natured advisers, Mrs. Stoepler and Miss Mildred Johnston, complained of frostbitten toes for the week that followed. Our last event of the year was a tea given in honor of our mothers.

This year has been an enjoyable one for the members and advisers alike. The club that started with twelve seniors and later added eight juniors, grew in good name as well as in size. We hope that through the years the Thalians will continue to advance and be a credit to our sponsors, to our advisers, and to DeVilbiss High School.

Sub-Debs Sanction Spirited Fun

One cold, dark, starless night in November, eighteen little shivering juniors were initiated at the homes of Nancy Reister and Mary Lou David. After going through all the stunts the seniors had rigged up for them, they were presented with corsages and congratulations at Lou's house.

Lighting our way through the year were Marion Rees, President; Grace Yarnell, Vice-President; Joanne Lankenau, Secretary; Elizabeth Strout, Treasurer; and Carol Michelsen, Chaplain.

Our advisers, Miss Mildred Pasch and Miss Marie Lerche, set a shining example for us by their pleasant ways and helpful suggestions.

Our first highlight of the year was decorating the archway by 122 for Christmas. At the head of the decoration committee was Mary Lou David. The theme of the decorations was "The Night Before Christmas." Although we didn't win the prize, it had been great fun decorating.

Then we focused the spotlight on our Mothers' Tea which we held at the Toledo Museum of Art. The Museum presented a program before the tea was served. Carol Michelsen was in charge of this affair.

We were also very much honored to be picked to participate in a mass meeting in the auditorium showing the wrong and the right way to hold a meeting. We portrayed the right way. Any resemblance to one of our meetings was purely coincidental.

The seniors especially enjoyed the Senior Banquet given by the juniors with Carol Liechty as chairman of the planning committee.

Barbara Munday and her committee were in charge of securing a cottage at Clark's Lake for this summer. The club spent ten days there last year seeing who could get the brownest tan. Or was it the reddest burn? At any rate we all had fun swimming, hiking, sleeping, boating, and stuffing ourselves with our own cooked food. We all are looking forward to going back there this summer.

As we look back over our activities of the year and the fun we have had, we feel a glow of happiness steal over us. Whatever we do, wherever we go, we will always remember the DeVilbiss Sub-Deb Club and all the memories it holds for us. We all hope that the Sub-Debs in the future years will have as much fun as we did in these years.

Science And Engineers' Club Are

One of the aims of the DeVilbiss Science Club this year was to study Toledo's scientific resources which are of interest to the future scientists.

Projects concerning microscopic work and experiments with photomicrography found their prerequisite in learning how to use and handle a microscope.

The constant flow of new ideas for programs was left to Norma Dotson who did a very good job. One of the first programs was one in which Marion Bahren gave a talk on her work in photographing microscopic animals. Mr. Robert Lampton then explained the procedure used in obtaining this type of picture.

Bob Monroe broadened our scientific ideas by his interesting talk on his experiments and observations with pet white mice.

During the month of February we visited the University of Toledo several Friday evenings. We were shown the telescope and electron microscope.

Trips through the Toledo Zoo with its science departments, and through the Toledo Hospital Technical Laboratory added considerable understanding of and interest in the zoological and medical research phases of science.

The club was proud to state that Bob Mallory, who last year won a four year scholarship to Carnegie Institute of Technology, was one of its alumni. He was given this award because of his high ranking in the nation wide Westinghouse Science Talent Search test. Bob was vice-president last year. Phil Grover and John Dunseith, also alumni, are pursuing scientific courses at Chicago University. The members of the club like to think that it was the background of the DeVilbiss Science Club that helped these boys become interested in further scientific study.

This year the club's membership was increased to twenty members who were either taking some form of science at the present time or who have taken it in the past. Meetings were held every other Monday in room 108.

Leading the club as president was John Matthews assisted by vice-president, David O'Neil. Thurayne Thomas took care of all secretarial duties while Donald Kaminsky saw to financial obligations. June Phillips served as publicity chairman and Bill Stende, as inter-club council representative. Advisers were Miss Fern Dickey and Miss Mildred Schmidt.

Guided By The Lamp Of Knowledge

To obtain further benefits from engineering and technical subjects is the chief aim of the Engineers' Club, whose official name is the Engineering Society of DeVilbiss High School. Any student taking mathematics, science, or industrial arts, and who maintains a passing grade in all subjects is eligible to become a member of the club.

This year's Engineering Club was quite active in an attempt to maintain the standard set by its predecessor. Our major activity was touring Toledo industries. Among the companies who were kind enough to allow us to tour their plants were the Ohio Bell Telephone Company, Swartzbaugh Manufacturing Company, Toledo Edison Company's Acme Station, Superior Spinning and Stamping Company, and Willys Motors Incorporated. The members of the club also attended several engineering lectures sponsored by the Toledo Technical Council at the University of Toledo.

One of the accomplishments which we are proud of is a file of catalogues from technical colleges. These were gathered to help the future engineers to plan their high school and college courses intelligently. It is our hope that we, and future clubs, may gather a complete record of every technical and engineering school in the United States.

Our meetings were held on the first and third Tuesdays of every month. The President and the executive committee, which is made up of the six officers, have the authority to call additional meetings if the need should arise. Leslie Noaker led the proceedings at all meetings and trips. But if he were absent, John Matthews, Vice-President, took over his job. Bud Smith, our Secretary, was recognized as the Club's official pen-pusher. When financial matters were involved, Fred Siebert, Treasurer, would have to be found and forced to release the purse strings. Ray Jackson, the Inetr-Club Council Representative, amused himself by getting up before the members and telling them what happened at the last Council meeting. Fred Bailey, whose title was Publicity Manager, took care of all the Club's official publicity releases. But the one man we really owe our thanks to is Mr. R. O. Merrill, for he gave us his time, assistance, and advice in his capacity of adviser to the club.

We are all very grateful for the many informative tours that the industries of Toledo gave us, and we hope that all future members of the club will be able to have as many interesting and enjoyable tours as we have had.

Frisco Frolics In Front

"Hand me another paintbrush"—"Now where am I going to find a property like that!"—"Give that line once more" all are cries heard in the auditorium or the many rehearsal rooms after school. The people quoted above are working on an important job; they're practicing for the biggest show held in school—The DeViltries.

Fancy Footwork.

But, before you can have any rehearsals there has to be a script; before you can build scenery there have to be plans. Miss Frances Giffin, director of the DeViltries, chose a Council Steering Committee to perform the duties of making these plans and shaping a show. Each member of this committee, in turn, was made chairman of a smaller committee.

"Pass that Peace Pipe."

Dick Hehl. Back row: Virginia Welsh, Sue Zbierajewski, Connie Cromwell, Ruth Chandler, Joan Ferrall, Joan Skurzyn.

After the tryouts were held the script committee wrote the show and rehearsals began. Every night after school, Saturdays, and some evenings were given over to practice and work. Finally the big night comes! The house lights dim, and the roll of the drum brings the audience to their feet for the playing of the National Anthem.

"Your order, sir?"

Left to Right: Bill Lunbeck, Ed Binkleman, Pat Livi, Joan Michelson, Joan Billet, Nancy Campbell.

When the piece is over and the people take their seats, the orchestra swings into the theme "San Francisco Here We Come", the curtains open, the Frisco Frolics are on! There's no turning back now. An audience has come to the 15th edition of the DeViltries. The actors, actresses begin the dialogue, the talent performs, the stage crew listens for comments in the earphones, the student directors stand back stage and bite their nails.

"Add a touch of rouge."

Left to Right: Dorothy Fash, Richard Boell, Alton LeBeau, Nancy Anderson.

of The Footlights

For four nights the same procedure and for four nights the same fears and different mishaps. For four nights we sense the smell of greasepaint and the new feeling of the costumes, the bright lights, laughter, and applause. That's our goal—to make the audience laugh, to make the audience appreciate the talent—to entertain. For four nights we have a taste of show business.

"Waiting for the train to come in."

Left to Right: Lou Davis, Pat Livi, John Matthews, Judith Price, Shirley Keats.

As each act is over we breathe a sigh of relief and prepare to hold our breath for the next. But the performance always goes over and we're well repaid in compliments for the many afternoons, Saturdays, and even nights that we've given up for rehearsing. As the curtains close on the last act and the cast crowds onto the stage you get a lump in your throat. You're happy and still sad that it's over.

Diane really sends them!

And then the traditional song "You Will Remember DeVilbiss" sends shivers up and down your spine and you know that you'll always remember this moment—arm in arm with the other cast members, swinging and swaying to the rhythm of the song, the spot lights playing and dancing like bright sunbeams up and down the lines; yes, you'll always remember DeVilbiss and you'll never forget the DeViltries.

"Dirty old K.P."

Left to Right: Bill Humphrey, Deane Osborne, Alton LeBeau.

The DeViltries could not have gone so smoothly nor would it have been as much fun if it weren't for the Steering Committee. Through their work, they and the students feel and know that the DeViltries is truly a DeVilbiss student production.

Tiger Trainers

Behind each Tiger team there are one or more coaches who train the teams for several months. The coaches spend much time each year training their teams for competition with other schools.

Heading these coaches is Norm Pollman, the Athletic Director. Mr. Pollman, an outstanding track man at Scott High and Ohio State, coaches our track, cross country, and lightweight basketball teams. The ticket sales for all our sports events are conducted from his office and the Night Relays are carried out under his guidance. Coaching the varsity football and golf teams is the duty of Don Sharpe, who also is a physical education instructor. Don gained his playing and coaching experience at Scott High and the University of Toledo. After returning from service, Bob Rettig again took up coaching. This year, along with his full time duty as director of student activities, he coached varsity basketball and assisted Don Sharpe with football. Previously Mr. Rettig taught at Scott and coached consistent winners at Scott and Bowling Green.

Our principal, Mr. Nauts, is on the athletic staff as bowling and swimming coach. This is the first time that Mr. Nauts has been included on the coaching staff. Fred Breed, in addition to instructing physical education classes, coaches the lightweight football and wrestling teams. Four years ago Mr. Breed organized our wrestling team which held its first scheduled meets this year. The third coach, who is also a physical education teacher, is Norm Kies, our assistant football, freshmen basketball, and baseball coach. The Universities of Toledo and Michigan provided Mr. Kies with a B. E. degree. Last but not least is Mr. MacMurray, an assistant football coach, who willingly aids the athletic department. With the aid and training of these coaches, DeVilbiss keeps its place annually as a school tops in athletics.

These coaches couldn't do their fine jobs without the aid of several additional people. The DeVilbiss Men's Club gave us new lights for our stadium and honored several teams with banquets. Several faculty members aid the staff by handling the ticket sales and carrying on duties during a game. It takes all these people to keep our athletics running smoothly.

The DeVilbiss thinclads, losing a few veterans of the previons year. had a wealth of material for the track season of 1947. The Tigers went to the state meets at Miami University and Columbns with great hopes of retnrning as state champions. They were defeated by a narrow margin to finish fifth in state standings. Better things were in store for them at Bowling Green where they won the district meet. The tracksters finished first for the city championship. For eight straight years the Tigers have won both the city and district meets. Again DeVilbiss was on top in onr own annual Night Relays.

The dashmen who carried us to honors were Walt Harrison in the hundred; Bert Warrick in the 220 and the quarter-mile. Onr distance rnnning was ably performed by Jim LaGro. The field events were handled by Jim Maher, and Harry Edgington. The broad and high jumps were performed by Paul Russell. Fritz Lanffer, Jim Maher. and Malcolm King. Danny Geraheuser and Bob Baughman pole-vaulted. Jim Maher was outstanding in the hurdle events. The track team was well-balanced and showed the effects of competent coaching and good training.

Under the Lights

Starting practice in late August the DeVilbiss Tigers, packing a lot of size and weight, looked impressive. At Elyria for the first game, they ran into a tough opponent who proved too much for the Tigers. Opening their city league play, DeVilbiss won over Scott, then lost to Central the next week by a barrage of forward passes. The Tigers alternated wins in all the succeeding games, starting by edging out Woodward in a closely fought battle. The next week a huge crowd watched a determined DeVilbiss team give the all-powerful Waite Indians a run for their money. The Tigers, although losing, held surprisingly well and were a threat during the entire game.

DeVilbiss went down to Dayton Fairmont to upset a big, powerful team, 20-0. Then at Scott, the Tigers took the worst trouncing of the season. With new changes in the lineup, the Tigers tried hard and held a supposedly easy Sandusky eleven to a seven-all tie. Thrashed by the Alliance Aviators, the Tigers avenged themselves by beating Central in a close exciting contest. Six thousand Turkey Day fans at Libbey Stadium watched the Bengals lose to Libbey, but only after frantic playing on our part.

Winning four games, losing six, tying one, DeVilbiss finished an eventful year by tying with Scott for third place. At the annual post-season banquet held by the men's club, Rodger Wadsworth and Fritz Lauffer were voted the season's most valuable players. Rodger made the Times and Blade All-City team while Dick Forrester and Fritz made the second team.

Tiger Five Strives For Fame

Coach Bob Rettig's hope for a record season had a good beginning as the Tigers upset four strong teams and lost two close games at the Lima Central Carnival. The first clash with the Irish of Central was much awaited by everyone because the two teams were tied as city leaders. In a jampacked Central gymnasium, where hundreds were turned away at the door, DeVilbiss edged out Central 38-33 in an exciting thriller, highlighted by the expected scoring duel between our Jim Maher and Central's Jerry McCloskey. The duel did not materialize because fine Tiger guarding held McCloskey to four points. It looked like an undefeated city record when DeVilbiss won four more games,

Graduating Players

Leading the graduating players is Jim Maher, (top row), our captain, center and high scorer; John McWilliam, a regular guard; Jim Schoeder, forward; and Tom "Whity" Karczewski, center. Second row, left to right, are other valuable players and consistent scorers who graduate in June.

Graduating Players

Three other senior boys on the squad are Russ Milne, Sam Kelentic, and Bob Eikost, left to right. Although he came on the squad after the season began, Russ proved a fine player as center. Sam kept the opponents from scoring, while Bob, a regular starter, netted many points.

but Waite unexpectedly subdued the Tigers for DeVilbiss' first league loss. Again the city leaders met but this time Central reversed the scoring to win 42-35. DeVilbiss suffered another defeat the following week to Macomber. After winning two out-of-town games with Napoleon and Montpelier, the Tigers played their last game in the city league. The Scott Bulldogs were victorious in an overtime game, which put DeVilbiss in a tie for second place in the city league.

DeVilbiss' captain, Jim Maher, was the city's high scorer. Averaging twelve to fourteen points a game, Maher topped McCloskey, the champion's leading scorer. This avenged in part our record in the city league standings.

After competing in the city league, the Tigers turned their attention to the sectional tournament held in the Toledo University Field House. In the opening game DeVilbiss encountered the Craftsmen of Macomber. The Tigers built up a safe margin in the fourth period to win 57-46. Returning to the semi-finals to battle the Waite Indians, who had previously beaten Sylvania, the Tigers tied the game. Both teams failed to score in the three minute overtime so that the game went into a sudden death overtime. One minute and fifteen seconds later a Waite eager scored the winning basket that dropped DeVilbiss from the sectional finals.

In spite of a few upsets the DeVilbiss basketball team of 1947-48 was one of the finest in many years. This grand team was well described by Coach Rettig. "Never have I seen a finer group of gentlemen, yet all of them are the best fighters on the basketball court."

The Tiger Kittens, coached by Fred Breed, gained valuable experience this year and placed third in their league after winning three games and losing two. In the opening game they held the Scott Bulldogs scoreless and carried the pigskin over their goal three times to win, 21-0. Again in the second game they held their opponents scoreless by taking a decisive victory from Woodward, 13-0. After these two Tiger victories the Kittens faced a strong Libbey eleven. Although they lost this heart-breaker, 7-6, it proved to be the hardest-fought and most exciting game of the season. It is interesting to notice that Libbey in turn lost to Waite by one point.

In the following game the Kittens lost to the city lightweight champions, Waite, by a score of 6-12. Quickly rallying they closed their season by out-playing and out-scoring Central, 32-6. This game concluded the Kittens' season of 1947. If the teams had played two rounds, our Kittens probably would have avenged their close defeats.

During the entire season the line was a prime factor in the victories. In the backfield such speedsters as Don Blair, Paul Russell, and Bert Warrick showed their ability. Because they showed individual skill and teamwork together these boys should be excellent candidates for next year's varsity squad. The lightweight Kittens and their captain, Don Blair, received recognition and lightweight letters at the close of their season along with the other fall teams.

The fast-breaking, sharp-shooting kittens blazed their way to first place in the city and sectional leagues of lightweight basketball this year. They lost only two games during the entire season, a non-league game against the more experienced Boy's Club team and a rough, exciting game to the Macomber Craftsmen. Played in the Macomber gym, the ball changed hands many times. The winning Macomber basket came in the last seconds to give them the edge 26-25.

The first challenge against the Irish of Central caused almost as much excitement as the varsity game. The tension rose as first one team scored, only to be followed by a tying basket. As the gun went off, DeVilbiss won 35-31. The return contest between these teams was almost as close with the Kittens again winning 37-30.

The two games against Woodward were almost equally matched with DeVilbiss on top both times (27-25 and 27-24). The remainder of the season went fairly easy as DeVilbiss cinched the city title by winning fourteen and losing two games. In the sectional tournamet, the lightweights overtook a strong Sylvania team. At the end of four quarters the score was 36 all. But the Kittens came back in the overtime to win by two points, thereby becoming sectional champions.

The Kittens, coached by Norm Pollman, had no permanent captain during the season. This position was rotated among the boys. Several Kittens were offered positions on the varsity team near the season's end. These boys are our future prospects for next year's varsity.

As a reward for their fine playing and sportsmanship, the entire team enjoyed a steak dinner given to them by Coach Pollman at Dyer's Restaurant. They also received lightweight letters at the close of the season.

GOLF — The Tiger golfers won all of the six city matches and the two out of town games with Sylvania and Lima. Winning the city championship, DeVilbiss played at Heatherdowns Golf Course for the district meet where four of our golfers made a combined low score of 316 to win the district. Coached by Don Sharpe, the golf team consisted of Russ Milne, Ray Cannon, Dale Buettner, Bill Gardner, Bob Zweigle, Jim Yawless, Dick Shambaugh, and Larry Leininger.

TENNIS — The DeVilbiss Tennis Team had a very successful season, losing but one match to Adrian. Coached by Al Riedmayer, the nine members of the team were a close-knit group. Winning all of the city matches and beating Fremont, Adrian, and Lima, the Tiger netmen won the city and district meet; Bill Dicke placing in the single matches and Bob Riedmayer and Larry Andrews teaming up for the doubles victories.

Bengals In Baseball And Bowling

Although baseball and bowling are minor sports, they attract their share of attention. The National, American, and Tiger Bowling Teams see action in the winter when they bowl against other city schools in their respective leagues. The baseball team, coached by Norm Kies, has a short season in the spring when it battles against other sand lot teams. A large number of boys came out for the teams this year and many will return next year to represent DeVilbiss, rounding out the schedule of school athletics events.

Night Relays Attract Attention

Although the sky threatened rain, the sixth annual DeVilbiss Night Relays were held on May 2, 1947, without interference from the weather. Thirty-six schools from Ohio and Michigan participated; twenty in class A and sixteen in class B. Nine new records were made and one was tied. In class A DeVilbiss broke the four lap and shuttle hurdle relays and Jackson from Fostoria made a new record in the broad jump. Oak Harbor, a class B entry, broke two relay records—the four lap and distance medley relays. Also in class B, Wood from Clyde broke his own record in the 100-yard dash; a Delta trackster made a new pole vault record; an Old Fort cinderman made a new high in the pole vault; Bob Samsen, a member of the Genoa team, smashed the broad jump record; and Shull from Gibsonburg added seven inches to the shot-put record. The winners of classes A and B were DeVilbiss with 78-1/3 points and Clyde with 54-1/5 points.

Dick Ahrendt passes the baton to Dan Noyes.

The individual winners and winning teams were presented with trophies and medals by the relay queens. These girls, Sharon Cruey, Sally Crumley, Lou Stansbury, Donna Winterfeld, and Ann Woodruff, were nominated by the track team and elected by the student body. The DeVilbiss Night Relays are an outstanding event of the year which increases our track prestige throughout the state.

They Add Color To Our Athletics

MAJORETTES — The group of girls with the Drum Major lead the band on the football field and present entertainment between the halves of the games with their dances and baton twirling. For several years they have added their talents to the DeViltries with dance routines.

CHEERLEADERS — When the enthusiastic student body is heard cheering the teams to victory, the student cheerleaders are leading the yells. They also add a high spirit to many of the mass meetings. The cheerleaders and majorettes surely do their part for school spirit.

Teaming Powerhouse Of Activity

Mrs. Jane Terhell Miss Lois Entemann Miss Nancy Gillette

The bell rings, a switch is thrown, and the hum of activity starts in the girls' gymnasium. This huge power plant of energy is generated by our three teachers—Mrs. Terhell, Miss Entemann, and Miss Gillette.

Mrs. Terhell, known for her beaming smile and ready advice, is one of the girls' favorite teachers. Miss Entemann, whose light footwork and sense of humor makes all sports fun, is one of the champion badminton players. Miss Gillette, a newcomer to DeVilbiss, but already an adviser of the Girls' Athletic Society, is always willing to entertain with some of her clever antics. Around these generators, the current of the gym is consistently circulating.

To help conduct this current we have the student leaders, girls who aid the gym teachers with classes.

There is a set program for all underclassmen in the sports' curricula, starting in the fall with hockey, and schlag ball; in winter, tap, folk and modern dance, and basketball; and in spring, baseball and volleyball.

Seniors have a choice of sports to be participated in school or outside. The Colony Bowling Alley is filled with eighty girls every Wednesday afternoon. The winning team for the first semester was Number Seven with Juanita Dipman, Margery Rosenbrook, Mary Lou Bates, and Jeanne Todd. High average and high score for the first semester were held by Marilyn Hartman. The girls may also take part in the swimming classes for beginners, intermediates, advanced and lifesavers at the Y.W.C.A. or horseback riding at the Ascot Stables. Then there's golf, too.

The time spent in the gymnasium relieves the tension of classwork and gives every girl in DeVilbiss a chance to develop skill and coordination. This power plant will always continue to draw energy and convert it into light—light that glows in the faces of the DeVilbiss girls.

The Lighter

Bowling

One of the favorite after-school sports is bowling. The first time the girls tried the sport, the Colony Bowling Alleys resounded with dropping balls and breaking fingernails. But, toward the end of the semester we find every (well, *almost* every) girl using a good three-step approach and a smooth follow-through, making the pins fly in all directions.

Riding

With an alleyoop up into the saddle we go, walking, cantering, or trotting down the bridle path. But we even learn the practical side of this business too. Our instructor gives us the fine points of the sport and we put our steeds through their paces—how to saddle and bridle a horse, how to give it proper care. Hand me that pitchfork and let's start with the hay.

Hockey

The sport of cracked shins and broken hockey sticks! From the warm days in September until the brisk, frosty days of November, the hockey field is swarming with rosy faced girls armed with one trusty hockey stick and two conveniently and comfortably padded shin guards. The cry of "goal" is what they strive for, and they work hard for it too!

Basketball

The sport with the keenest competition, the trickiest plays and feints—basketball. Each team works as a unit, and believe us the referees are kept busy. This is no sissy sport as some people seem to think, but a really tough, energetic game. The twang of a ball as it's passed and the satisfying swish as it falls through the net are music to the girls' ears.

Side Of Life

Golf

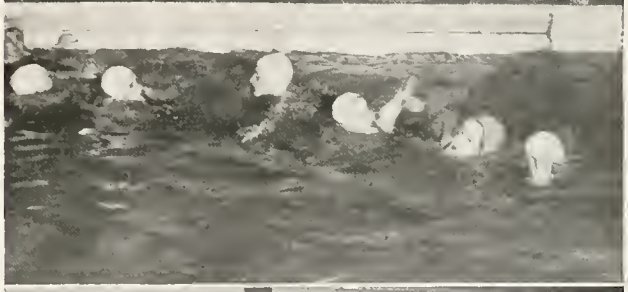
Fore! Run for cover! These DeVilbiss girls drive a mean ball with their trusty (sometimes rusty) clubs. Any day in the fall or spring you can see them whacking balls on the practice field, gripping the club, wrist conscious, head down, carefully pivoting just the right amount. At the end of the term the girls can smack a ball like nobody's business!

Modern Dance

Aching limbs and lusty groans of pain announce the discovery of muscles long unused, which in turn announce the beginning of the modern dance classes. From behind the closed door of room 133 comes the strain of weird music and a voice, "Bend, two, three, four; touch, two, three, four; now a side fall to the count of four!" Pass the liniment please!

Swimming

Grab a suit and jump in! If you can't swim, the lifesaving students will haul you to the shallow end where you can practice the flutter kick. At the other end of the pool the spring board is kept busy by the advanced swimmers learning the art of diving, and the water is churned by the speedster's crawl. Yes, it's a wet pastime, but swimming is fun!!!



Baseball

There's the wind-up and the pitch! It's a two-base-hit bringing in another run for the White Team, but do the Stripes quit? Of course not! The next batter steps up to the plate, the pitcher winds-up and throws a fancy spin ball. It's a hit! But wait! The catcher caught it and by golly they've turned it into a triple play. These gals know their baseball!

Just as gas lights were a necessity to our grandparents, so are the *G.A.S. lights* to the girls of DeVilbiss High School. The Girls' Athletic Society gives every girl in school a chance to participate in team sports while teaching the importance and fun of co-ordination and sportsmanship. The girls win their numerals, "D's", chevrons, and lockets by a point system. To receive the highest award, the coveted gold locket, a girl must have 2700 points. You can be assured that any girl wearing an athletic award has spent many hours in the gym refereeing and aiding the gym teachers either in their spare time, after school, or during their study periods. These girls are called leaders, and they help to conduct the current of the activities in the gymnasium.

The officers of G.A.S. for this year were: Virginia Varner, President; Peggy Doerter, Vice-President; Marilyn Hartman, Secretary; and Jeanne Lewis, Treasurer. These girls, with the aid of their advisers, Mrs. Terhell and Miss Gillette, were responsible for revising the point system and serving as a steering committee in addition to carrying on the duties of their offices.

The many activities held this year were started off with a play day for our seniors to which we invited other girls from the high schools in town to participate in round-robin tournaments. Next we entertained our mothers with a social party. The annual event of the greatest importance was held with the usual gay and feuding spirit. Need we explain that this was the always fun, "Pop's Night"? Once every year we bring our fathers back to school and match our skills to theirs in various sports. Needless to say many homes have liniment for aching muscles and sore backs the next day!

The G.A.S. Locket Award

At the end of the year we have our annual banquet for the seniors. It is a gala affair but there isn't one girl who doesn't feel a lump rise to her throat when she thinks back on the good times she's had and how she'll miss the good old G.A.S. None of us will ever forget our days in the gym, the keen competition, the spirit of team work, nor shall we forget the things we've done and all the fun that we have experienced in the beam and glow of the *G.A.S. Lights.*

A GIRL CAN BE PROUD

...when she earns her high school diploma

And she should be proud when she takes her place as a wage-earner.

"Telephone Girl" is a proud title in business . . . whether it's operator, stenographer or clerk. The telephone girl does interesting, useful work which is important to everybody.

She can take pride in her paycheck which grows steadily, adding six raises the first 18 months. She can be proud of her business home and the friendly girls with whom she works. Thorough training gives her confidence and good performance earns her promotion.

YOU, too, can be pleased and proud with a telephone job.

"In our hearts we still retain the shining hours we live again." This sentiment from the DeVilbiss *Alma Mater* expresses the aim of the 1948 *Pot O' Gold* staff. We've tried to capture the highlights of the school year and preserve them for you on the pages of this book so that they will be an everlasting shadow of your youth.

We, the editors, would like to thank all the staff members for their time and labor, and our advisers for their patience and helpful suggestions. We gratefully acknowledge the contributions and assistance of Marilyn Botek for her artistic ability, Mr. Frank Britt of Toledo Printing, Mr. Lawrence Smith of Graphic Arts, Mr. E. W. Kase of Molloy Cover Company, Mrs. Norma Hays for her help in advertising, Mrs. Victor Knaggs and Mr. Merritt Nauts for their eulogies, and the entire faculty for their cooperation and moral support.

To Bud Smith –
Here is a boy for whom I'll vouch.
For he is one who is no slouch.
Drinking Beer and History too.
This if from you know who.!!!
